Last month, Wellington was battered by the fiercest storm in years. The storm ripped up roads, toppled trees, damaged houses, crippled public transport and cut power to some 28,000 customers.

Recent sales have shown a steady demand for following stock:

(If you don't see what you want on our [website](http://www.anlautopares.co.nz) please ring & ask us on 0800 699 996)
