Chris has just come back from being overseas. While over there he went and visited the World's Largest Car Auction Centre in Tokyo called USS Tokyo Car Auction. There are up to 20,000 cars sold on a Monday. Every model, shape and colour gets sold.

There are 10 auctions continuously running online and 130 Countries purchase each Monday. There are 2 Identical rooms with computer monitors and auction screens.

With the change of seasons, we have an extensive range of panel parts and window screen replacements. Contact us on our 0800 699 996 first.
